.....September 2010

## From the desk of our President....

### **Fall is in the air....**

At least at our house. I can hear the high school band and cheerleaders preparing for that first football game and the sign on the corner says school starts on August 30<sup>th</sup>.

Fall for me always brings to mind “ what are my displays going to look like this year?” I have the season for planning and preparing.

Wasn't it fun meeting fellow collectors from the Northern Lights Club at our last club meeting? Thank you Karen Rae for inviting them and also to you and Joyce for bringing the “summer treats”. I hope we can continue to exchange and share with the other clubs in Minnesota.

Our September 20<sup>th</sup> meeting will have our traditional “Garage Sale”. So put a price on those things you no longer use and someone else will find a use for them.

The “theme” for the vignettes is “Books and Movies”. Why don't you share your favorites with us?

Carolyn is working on a “make and take”. All of the materials needed for the project will be provided. It sounds like it will be fun to use in your display.

If you have a bare branch tree you would like to change into a summer or fall tree, bring it with to the meeting. There will be materials available to do that.

We will be taking a group picture at the meeting. So please wear your club shirt.

See you in Navy Blue on September 20<sup>th</sup>,

**Judith**

## From our Editor's Quill....

## About Us....

We are a small but unique collectors club, we are always eager to learn new techniques / ways to display our treasures.

We get together to discuss our finds, do a few "Make & Takes", listen to special speakers, and enjoy the company of others with similar interests.

We meet every other month on the third Monday at the Knights of Columbus in Bloomington, MN at 7:00 PM.

Please call any Club officer with questions.
