## From the desk of our President....

**For the late time :(**

To all you “lovers of small buildings and anything Christmas” We are coming into that jolly season and the first event is our Holiday Party! NOV 15<sup>th</sup> at 6:30 P.M.

It will be at the NEW Davani’s on 67<sup>th</sup> and Penn. (used to be the old Chinese place by the water tower.)

The cost will be \$5.00 for dinner, \$10.00 for 10 games of Bingo. If you pay your dues of \$15.00 you will be entered into a drawing for a prize.

I want to THANK Karen Rae for taking care of the September meeting. I understand it was a small group, BUT you did do the things that were planned! Because of some BIG changes in my life Karen Rae has taken on many of the president duties a little early, thanks again Karen Rae!

NOW, for those changes: At the time of September meeting I was having all the tests and scans to find out what is wrong with me.

It turns out that the breast cancer I had 10 years ago has returned and was causing trouble throughout my head and body. It was decided to treat my head and neck with radiation. I am now completing four weeks of this treatment. In another month I will be scanned again to see if this has helped and to see what and how to treat the other areas of cancer. So I will be at the holiday party with a Santa hat covering my baldhead and ready to elect the officers for 2011.

So on to the pizza and prizes!!! (How can it be any better than that??)

**Judith**

## From our Editor's Quill....

Well, what news! Kinda just blows you away... it did me anyway.

I have updated the slate of officers for next year. This will be voted on at the November meeting.

*(I just gotta have some fun with these actual statements, but I may have heard wrong or misquoted on purpose ... hee hee)*

Karen Rae is “scared of writing the letter’s from the Pres., “because Judith does it so well and she’s so funny”... and has bribed me with baked goods, if I write it for her. (Hmm, maybe I could be corrupted! Hey she bakes really good stuff!!!!)

Kathy has agreed to step in as VP ... “only if no else want’s it”...

Thomas will continue to do what he does so well... because” there’s been so many changes already, BUT I really would like for someone to take over!”

So everyone think about it for next year... Please. Me... I’ll continue with the newsletter, unless someone else wants to? Nah I didn’t think so;} “I’m just getting the swing of it.”

I’m making some format changes, Please let me know what you think! Thanks.

## This & That: A Message from....

The Northern Lights club:

As we discussed when the group from Northern Lights attended your meeting back in July, we'd like to have some joint events. On Saturday, January 8, 2011 Northern Lights are having its annual house hop. We thought it would be a great opportunity to have your club participate. We've got about 3 houses scheduled so far (mostly in the southern or central twin cities area). If your club could provide 3 more houses it would make for an interesting tour. Right now both Shirley and I have volunteered to open up our homes for the tour.

Generally we start out at 10am or so and spend about 45 minutes or so at each home. I will map out the route and schedule allowing for travel time between houses. We plan for "light" snacks at each house and then a pot luck supper/games at the last house. Some people do go overboard with the snacks, so no one will go hungry! We also have some kind of game with prizes at each stop.

Please consult with the appropriate people in your club and let me know if you are interested in participating. Even if you don't have any members who want to open up their homes, we'd still love to have you "join the caravan".

Let me know.

Tom
