

These are the lighted pieces that I have:

- 2000 Holly Lane
- 1997 Farm House
- 1999 Holy Spirit Church
- 2001 Cedar Ridge School
- 1999 Cedar Point Cabin
- 2000 Timber Lake Outfitters
- 1998 Snowy Pines Inn
- 2004 Peppermint House
- Silver Bells Christmas Shop

They are all in the boxes that they came in & are in great condition.

The accessories that I have are:

- Peppermint Bench
- Peppermint Street
- Angels in the Snow
- Is that Frosty?
- Fun in the Snow
- Marshmallow Roast with Fire Pit
- Some extra trees & bushes
- Stacked Wood Pile w/Red Cardinal on top
- Village Stone Walls - many of these
- Snow Fence
- Village Log Pile
- White Bare Branch Trees
- I have an item that is several Christmas wreaths all strung along in a row
- I have a boy & a dog by a lamp post w/address plate 1234 & a wreath
- I have a display item that has two elves at one end of a train that are hand pumping it along and a cart that says "dolls" & another one that says "bears" and at the end of this piece is an elf holding on. I don't think I have boxes for the last two things.

I also have some of the original bags of snow that came with them. I have about 5 boxes of hedges and some pine trees and some of those are made out of material that is breakable.

If you are interested or know someone that is or can help me in any way, I would greatly appreciate it.
